

Bakery crate 64x54x12

Bakery products crates allow for air circulations, which is a substantial advantage during transport and storage of food. Plastic boxes are made of top quality polyethylene - plastic resistant to low temperatures, which makes these containers suitable for freezing. All crates can be easily and hygienically cleaned. The special crate is especially suitable for transporting lumps.

Product code: 968094

Number of pieces on the pallet: 268

Technical specification

Features:

Colour	beige
Material	PP
Weight	1.65 kg

Due to the use of various raw materials, it is not possible to prevent fluctuations in color shades. All technical parameters of the products, including their dimensions and weights, are subject to changes resulting from testing conditions and manufacturing technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the possibility of unforeseen errors and subsequent adjustments. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.
