

EURO crate partition 60x40x17 - short

Crate partitions are an essential element for the organisation and protection of various transported items. These practical dividers allow the safe transport and storage of various materials and products. With the help of the dividers, you can divide the Euro crates in any way you like. The partitions have a pre-milled drawer system. At least one long and one short partition is required for the partitions to function.

Product code: 967425

Number of pieces on the pallet: 200

Technical specification

Features:

| | |
|----------|---------|
| Colour | white |
| Material | HPS |
